

INSTRUCTIONS FOR AXIS 360

Nook, Sony Reader and Kobo devices *(Computer/Laptop and USB Cable are required.)*

1. To access Axis 360 Magic Wall on the computer, go to Helen Hall Library webpage www.leaguecitylibrary.org or <http://hhl.axis360.baker-taylor.com/>
2. Click on the **AppZone** and download **Adobe Digital Editions** (ADE).
3. Register for an Adobe ID and password.
4. Click on the “**Login**” link located on the upper right hand corner and enter your Helen Hall Library barcode number.
6. Begin to browse or search for titles.
7. Once you select a title, select **EPUB** format.
7. Click on “**Checkout Now**”.
8. Click on “**Download**”.
9. Click “**Open**” which will open in **Adobe Digital Editions**.
(If it does not automatically open, click on Adobe Digital Editions.)

To load the book from your PC to your device:

- In ADE, click the “**Go to Library View**”
- Plug your device into your PC. The device will be display on the left.
- Drag and drop the book from the right side of the screen to the device.
- Safely eject your device from your PC.
